DIVERSITY AT SOUTH POPLAR

We are intentionally taking steps to ensure that each person knows that they are welcome, important, respected, encouraged, and loved at South Poplar. We are committed to making sure that this message is heard, seen, understood, and felt by each member of our school community.

We are excited to learn more about all members of our school community, their families and their cultures. We invite you to share with us more about holidays and traditions that are important to your family, as well as any ideas/feedback on representation & diversity here at South Poplar.
