

GOOD AFTERNOON, SOUTH POPLAR FAMILIES!

We are so thrilled to be back at school with your incredible little people. Everyone is excitedly sharing smiles and stories, reconnecting after 17 days apart. The joy of being together again is undeniable.

Spring is always an exciting time at school. Just as we are watching the new growth in nature, we are also seeing it in our classrooms. It is a beautiful thing to hear readers read with more confidence, to witness writers writing with more passion, and to see students shine with pride because of the newest thing that they are able to do.

This is also one of the busier times in our school calendar. Bhangra dancers, field trips, assemblies, special guests, Carnival, hot lunches, track & field, and much much more. Please be sure to watch for newsletters and School Cash Online reminders in order to stay on top of it all.

I will also be using our school's Insta to share weekly reminders. If you aren't following us already, be sure to find us & follow.

Take care, everyone!

Mrs. Shannon Manky

PS – Here are a few important reminders pertaining to this week.
